STANDARD FEATURES

Not only is this 2008 Subaru WRX STi incredibly fast, its packed with leading edge technology that, for once, is there for a specific reason. Spend a couple of hours playing with this STi and its possible you wont want to get out of it. To ensure the right sort of power, the air entering the engine bay through the hood scoop is directed down through a large air to air inter-cooler. This cools the incoming air, which makes it denser. In simple terms, the thicker air allows more fuel to be injected, which
