2010 Subaru Outback 3.6R AWD with Sunroof + Low KM

This 2010 Subaru Outback 3.6R delivers a lot of room for passengers and their gear plus desirable features such as voice activated Bluetooth hands free systems, MediaHub for USB/iPod audio integration, and a power sunroof. Even bigger stuff can be strapped to the roof using the standard, adjustable roof rails that easily swing inward to serve double-duty as cross rails. It's a nifty feature that cuts down on the wind noise and air drag that go along with fixed cross rails. This 2010 Subaru
